Exam DP-200: Implementing an Azure Data Solution

In response to the coronavirus (COVID-19) situation, Microsoft is implementing changes to our training and certification program. [Learn more.](#)

The content of this exam was updated on July 31, 2020. Please download the document below to see what changed.

Candidates for this exam are Microsoft Azure data engineers who collaborate with others to identify and meet the data requirements to implement data solutions that use Azure data services.

Azure data engineers are responsible for data-related implementation tasks that include configuring storage services, ingesting streaming and batch data, transforming data, implementing data retention policies, identifying performance bottlenecks, and integrating with external data sources.

Candidates for this exam must be able to implement data solutions that use the Azure Cosmos DB, Azure SQL Database, Azure Synapse Analytics (formerly Azure Data Warehouse), Azure Lake Storage, Azure Data Factory, Azure Stream Analytics, Azure Databricks, and Azure Machine Learning.

Prijavimo se v microsoftov račun

(če ga nimamo, si ga lahko ustvarimo na <https://account.microsoft.com/account/manage-my-account> . Pri tem pazimo, da se ime v tem računu ujema z imenom na osebnem dokumentu)

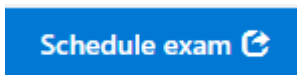

Pregledamo in po potrebi dopolnimo **Certification profile**

Nadaljujemo s **Save & continue**

The screenshot shows a web browser window with the URL <https://examregistration.microsoft.com/?whr=uri:MicrosoftAccount&>. The page header includes the Microsoft logo and the word "Learning". Below the header, it says "Your Dashboard". On the left, there is a sidebar with two menu items: "Certification Profile" (which is selected) and "Exam Discounts". The main content area is titled "Certification Profile" and shows the exam name "Installing and Configuring Windows Server 2012" with a "Change" link. A message box says "Please verify that your information is up-to-date." and there is a red note at the bottom right that says "*Required fields".

Na Select exam options je MSID skrit v levem sidebaru (>>)

The screenshot shows the "Select exam options" page. The Microsoft logo is in the top left. A sidebar on the left has a double right arrow icon (>>) and a user icon. The main content area is titled "Select exam options" and shows the exam ID "413: Designing and Implementing a Server Infrastr". Below this, there is a message "All fields are required." and a question "How do you want to take your exam?" with a link to "Exam delivery option descriptions". There are three radio button options: "At a local test center", "At my home or office", and "I have a Private Access Code".

This screenshot is similar to the previous one but with the sidebar expanded. The sidebar now shows the user's name "ALES LIPUSCEK" and "MS ID: M" (partially obscured). Below that are navigation options: "Pearson VUE Home", "Return to Microsoft", and "Sign out". The main content area remains the same, showing the exam options for "413: Designing and Implementing a Server Infrastr".

Na tem mestu si MSID zapišemo, postopek »prijave« pa prekinemo.
